

Asia university 112 academic year 2nd semester

Department of Bioinformatics and Medical Engineering, Professor Ka-Lok Ng office hour schedule

		Monday	Tuesday	Wednesday	Thursday	Friday	Sat
1	08:10 09:00	Research & guidance, course preparation	Research & guidance, course preparation	Research & guidance, course preparation	Research & guidance, course preparation	Research & guidance, course preparation	
	location	I408	I408	I408	I408	I408	
2	09:10 10:00	Research & guidance, course preparation	Research & guidance, course preparation	Statistical analysis in bioinformatics	Research & guidance, course preparation	Research & guidance, course preparation	
	location	I408	I408	HB72	I408	I408	
3	10:10 11:00	Seminar II Master	Research & guidance, course preparation	Statistical analysis in bioinformatics	Research & guidance, course preparation	Research & guidance, course preparation	
	location	H503	I408	HB72	I408	I408	
4	11:10 12:00	Office hour for students	Research & guidance, course preparation	Statistical analysis in bioinformatics	Research & guidance, course preparation	Research & guidance, course preparation	
	location	I408	I408	HB72	I408	I408	
N	12:10 13:00						
	location						
5	13:10 14:00	Office hour for students	Office hour for students	Seminar II PhD	General physics		
	location	I408	I408	H503	H503		
6	14:10 15:00	Office hour for students	Research & guidance, course preparation	Office hour for students	General physics		
	location	I408	I408	I408	H503		
7	15:10 16:00	Office hour for students	Research & guidance, course preparation	Office hour for students	General physics		
	location	I408	I408	I408	H503		
8	16:10 17:00	Office hour for students	Research & guidance, course preparation	Office hour for students	Office hour for students		
	location	I408	I408	I408	I408		
9	17:00 18:00	Office hour for students	Research & guidance, course preparation	Student counseling	Office hour for students		
	location	I408	I408	I408	I408
